Experience

3D Character Animator

Big Grin Productions | Remote
"Luka and the Lights" Short Film
August 2022-November 2022

- Animated the main character, Luka, and worked with directors to ensure a engaging performance.
- Exported animation from Maya to Unreal Engine.
- Filmed reference video to make sure performance was as lifelike as possible.

3D Character Animator

Noggin | New York, NY
March 2022-June 2022

- Applied feedback from supervisors to ensure the animation was on the right track.
- Utilized After Effects to composite finalized animation into 2D scenes.
- Created fun and snappy shots to entertain kids while also teaching math and literacy skills.

Freelance Animator

ARSOME Technology | Connecticut
June 2021-March 2022

- Animated cycles of animals for an interactive and informative AR app.
- Collaborated with a small team in daily meetings to ensure the final product was in line with what the client wanted.

"Pirate Lesson"

Short Film | Savannah, GA
September 2020-May 2021

- Won "Best of the Best" Award in the 2021 Student Showcase.
- Worked with a small team on all aspects of the pipeline, with a focus on 2D and 3D animation.
- Developed new rendering and texturing techniques with the crew, learning new ways to achieve the results we wanted.
